# Gear Pump – Double Nozzle

High-flow double-nozzle pump · 60–100 L/min · built for depots

**NMDPRA-compliant** | **Calibrated before delivery** | **Assembled & tested in Nigeria** | **Spare parts always available**

When volume is the whole game, this is the pump you want. It delivers up to 100 litres a minute, double the flow of a standard dispenser, so depots and high-turnover sites move fuel faster and keep queues short. It serves two vehicles at once, bringing high-flow speed to both lines. Two meters and two units give each side fully independent high-speed dispensing. Self-priming with a built-in oil separator and air eliminator, calibrated to ± 0.3%, assembled and tested in Nigeria, and serviceable anywhere with parts always available.

|---|---|
| **Compatible fuels** | PMS, AGO or DPK |

| TECHNICAL PARAMETERS | | OPERATING CONDITIONS | |
|---|---|---|---|
| **Nozzle** | 2 | **Flow rate** | 60 to 100 L/min |
| **Hose** | 2 | **Meter accuracy** | ± 0.3% |
| **Display** | 4 | **Working pressure** | 0.3 MPA |
| **Product suction** | 2 | **Suction distance** | Min 30m · Max 35m |
| **Gear pump meter** | 2 | **Ambient temperature** | -20°C to +80°C |
| **Gear pump unit** | 2 | **Relative humidity** | 45% – 85% |
| **Electric motor** | 2 | **Noise** | Very low, under 72 dB |

| SPECIFICATIONS | |
|---|---|
| **Nozzle** | O.P.W 1" · blue or red guard |
| **Hose** | 4m flexible, wire reinforced, oil resistant, 1" dia. |
| **Hose hanger** | Attached to the frame, retractable |
| **Control valve** | In-line valves |
| **Meter** | 4-piston positive displacement · aluminium alloy frame |
| **Pump unit** | Self-priming gear pump with oil separator and air eliminator |
| **Electric motor** | Single phase, flame proof, 220V 50Hz 1kW |
| **Totalizer** | Electronic / mechanical, visible from outside |
| **Frame** | White (other colours available on request) |
| **Money calculating range** | 000-00009999.99 MU |
| **Register range** | 000-00009999.99 / L |
| **Unit price setting range** | 000-0009999.99 / L |
| **Totalizer range** | 0.009,999,999.99 L |
| **Memory storage & backup** | 10-minute backup · over 7 years memory storage |
| **Security** | Electronic |
| **Manual** | Maintenance and installation included |
