MT PRO – Double Nozzle (BB-D1)

Double-nozzle fuel dispenser · Bennett meter, Bennett unit

NMDPRA-compliant	Calibrated before delivery	Assembled & tested in Nigeria	Spare parts always available

A dependable double-nozzle dispenser built on a full Bennett meter and Bennett unit in the refined MT Pro body. It serves two vehicles at once, keeping busy forecourts moving. Calibrated to ± 0.3% before delivery, assembled and tested in Nigeria on openly available components, and serviceable by any engineer nationwide, so spare parts are never a problem.
