MT Mini Dispenser

Compact single-nozzle dispenser · single-door cabinet · for smaller sites

SON & OIML certified	Calibrated before delivery	Assembled & tested in Nigeria	Spare parts always available

The MT Mini Dispenser brings the same dependable metering as our full-size units into a compact, single-door cabinet. Built for small independent stations, backup dispensing, or anywhere space and budget are tight, it delivers 5 to 50 L/min at ±0.30% accuracy, SON and OIML certified, and rated for use in explosive atmospheres (-20°C to +40°C ambient). Assembled and tested to the same standard as every MEGA-TEC dispenser, backed by nationwide support.

Application	Small independent stations · backup dispensing · space and budget limited
